Building Wetland Program Capacity in an Everchanging Environment

****ANNUAL MEETING UPDATE****

Moved to Virtual Meeting

Due to the coronavirus (COVID-19) pandemic, the leadership at the Association of State Wetland Managers (ASWM) has made the difficult decision to shift the 2020 State/Tribal/Federal Coordination Meeting from an in-person meeting to a virtual one via GoToWebinar. Providing the meeting in an online format will allow us to still provide peer-to-peer sharing opportunities, presentations and discussions while protecting the health and safety of our attendees, speakers and their families. We expect the agenda may change a bit and we will send updates to everyone as we finalize it. As an added benefit, everyone who registers for the annual meeting will receive copies of all PowerPoint presentations for use in their own presentations.
